SWOC Analysis

A. Strength:

- (i) Department has a strong bond with students at all levels.
- (ii) Faculty of the dept has adopted different methodologies to make the classroom environment receptive.
- (iii) Obedient Student in the classroom.
- (iv) The small number of students in hons class.

B. Weaknesses:

- (i) Lack of Faculty.
- (ii) Most of the students are first-generation learners.
- (iii) Due to the lack of communication system, as the number of students in the college is less, it is also felt in the dept.

C.Opportunities:

- (i) Signing of MOU with Kandi Raj College has benefitted the department.
- (ii) A Large number of vacancies in higher education.
- (iii) Opportunity in administrative jobs.

D.Challenges

- (i) It is a challenge to conduct studies both in the CBCS method and the Yearly method with an inadequate number of faculty.
- (ii) Engaging the students in various works is a challenge.
- (iii) To solve the problem of the inadequate number of classroom.

Suggested Road map keeping students' interest in the core and ensuring better visibility:

We need to make students aware of the CBCS system and sensitize students about the new examination system.

After teaching each topic of Honours papers, students will have a test or question-answer session through which how much they have learned will be checked.

The interdisciplinary teaching process will enhance the student's interest in studies.

The Best practice of the Department:

The faculty take motivational classes on ethical issues.

We make students aware about Electric Conservation.
