A Report on International Hother Language Day.

Introduction-International Mother Language Day is a globally recognized occasion dedicated to celebrating the linguistic diversity that enriches societies worldwide. Established by UNESCO, the day serves as a reminder of the importance of preserving and promoting mother languages as a fundamental aspect of cultural heritage and identity.

The Historical Context- The roots of International Mother Language Day trace back to the linguistic and cultural rights movements in Bangladesh during the early 20th century. The language movement in Bangladesh, then part of East Pakistan, reached its peak on February 21, 1952, when students and activists protested for the recognition of Bengali as one of the official languages. The movement, marked by sacrifices and struggles, eventually led to the recognition of Bengali as an official language, and the day of the protest became commemorated as International Mother Language Day.

**Activities-** The programme starts at 11.30 a.m in the virtual room of the college. The entire programme is conducted by Prof. Dr Soma Thakur, the convenor of the cultural committee.

Two beautiful songs were sung by Susmita Sinha & Riya Das our students. Prof. Shukla Bandyopadhyay & Prof.Ramkrishna Das did the recitation.

Prof Dr Mintu Mondal and Morium Khatun gave their speeches on that very day.

Theme & Significance- Each year, International Mother Language Day is celebrated with a specific theme chosen by UNESCO. The theme of 2024 is "Multilingual education is a pillar of intergenerational learning". The day serves as an opportunity to raise awareness about linguistic rights, language preservation, and the significance of mother languages in shaping cultural identities. By recognizing the significance of mother languages, promoting multilingual education, and advocating for linguistic rights, societies can embrace diversity and build a more inclusive world where every language is valued and respected.

From the entire programme, the students became aware of the significance of International Mother Language Day. The programme helped to create a sense of dignity towards the mother language.
