Panchthupi Haripada Gouribala College is trying to sensitize students, surrounding areas, and localities in particular and the nation in general in terms of teaching, learning, and co-curricular activities. It is making it clear that college is playing an important role in a prosperous future and the nation's good. Our college has made a firm policy towards our students on freeships that helps them to cope with the economic hazards that they face in their daily life journey. Freeship is a full or half exemption from paying tuition fees in a college that has been paid by pupils. It is typically offered to students who come from a financially weak background.

The 1st, 2nd, and 3rd-year students of our college have applied for freeships in the academic year of 2017-2018 and 2018-2019 respectively. The Governing Body of the college has seriously concerned about this matter and after discussions on their prayer for freeships the supreme body of college administration has decided that those students who have not been drawn any scholarships for teaching and learning activities or any other financial helps for same purposes will be exempted as the half free from the tuition fees. There are 40 first-year students, 14 second-year students, and 04 third year students in the academic year of 2017-2018, and 21 first year students, 13 second-year students and 03 third year students in the academic year of 2018-2019 respectively has been benefitted from this generous discissions from our college.

The Government of West Bengal has decided that the tuition fees of the government-aided colleges will be deposited to the Higher Education Department, Bikash Bhaban, Kolkata from the academic session of 2019-2020. Our college has made a policy there are no provisions for freeships for our students from this above-mentioned academic session. So, we are not able to freeships for our students after this discission.
