EDUCATIONAL TOUR COMMITTEE

PANCHTHUPI HARIPADA GOURIBALA COLLEGE

INTRODUCTION & OBJECTIVES

Educational tours provide students with a great opportunity to learn in an informal environment, while building long-lasting relationships with other students and teachers. It's even more important for college students, who are setting out in an unfamiliar world to grow professionally.

Educational Excursion and Tours play an important role in imparting practical knowledge of any subject. The conceptual base of the subject is certainly developed through theoretical teaching, but when it is supplemented with real-life observations, it makes a life-time impact. Through educational tours, the students get an opportunity to learn through self-exposure to various events. The students come to know about various latest developments of the field and the students of commerce and humanities are also directly benefited by the field visits.

Inside the classroom, a student gets to know about new things, new ideas, and new concepts, while outside the classroom, a student explores and experiences. There are various benefits of educational tours. There are 5 benefits of Educational Excursion and Tours

1. **Effective Learning:** Practical application of ideas is the most effective tool for learning. an **educational tour** makes students to face real-life difficulties and finding the solutions. Coming up with

solutions makes them innovative intellectuals. While learning is accompanied by fun, excitement, and enjoyment, it stops being burdensome and boring and students learn as a part of their natural growing up process.

2. **Exchange of Ideas: Educational tour** offers the perfect informal setup for lively discussions. Group- discussion is also one of the most effective tools of education. Students can exchange their ideas via group discussions to not only amongst their friends, classmates and peers but also with new people.
3. **Personal Development:** An **educational tour** away from the relief of school and home fosters liberation, leadership skills and communication skills. Students learn to break down the obstacles of language and learn how to interconnect across boundaries. The experience of travel makes them independent individuals and helps establish lifelong values and priorities.
4. **Heightens Perception:** A **tour** to new places is not just a fun get-away. It is about discovering new environments and principles. One of the most important benefits is that it finely develops an understanding of various social aspects around the world. They become more empathetic and respectful towards other cultures as well as towards their own surroundings.
5. **Universal Networking:** Interacting with locals and other students they develop amazing social skills and networks. University visits and school visits are particularly beneficial as students develop a family outside of their own comfort zone. They learn the norms of acceptable social behaviour in different circumstances and learn to extend a hand of friendship to people from different culture, socio-economic backgrounds.

2017-18

Meeting Number- 1 *Resolutions*

Dated 4/9/17

This is the very first meeting of the newly formed Tour committee, as this is the first meeting of the cell the future course of action is discussed in this meeting.

Presently the Tour committee is working independently. The convener of the cell is Smt. Shampa Laha, state all the members of the cell to observe and to communicate accordingly.

According to the convener of the Grievance Redressal cell i.e Sri Rebatiranjana Ojha educational tour should be organised

All other members of the committee agreed upon this

It has been decided that the educational tour is going to be at Hazarduari Berhampore and Vishwa Bharati Shantiniketan on 21st & 22nd September 2017

It is also been unanimously decided that we are all going by bus

[Faint handwritten text and stamps at the bottom left corner]

A proper report should be prepared against both of the tours. Proposed by Smt Soma Thakur.

It is also been unanimously decided that breakfast Tiffin and lunch for the students will be free (i.e behalf of college)

It is also been decided that a tour fee (i.e 100 rupee per student) will be collected from all the students.

It should be reported to the governing body.
