## A Notice on a Tree Plantation Programme under the Green India Campaign

The mission for a Green India (henceforth referred to as Mission) acknowledges the influences that the forestry sector has on environmental amelioration through climate mitigation, food security, water security, biodiversity conservation, and livelihood security of forest-dependent communities.

Against this backdrop, the Panchthupi Haripada Gouribala College are going to arrange a Tree Plantation Program with help of Local administration in terms of Burwan Community Block through the directional effort of our beloved Principal Dr. Soma Mukhopadhyay 10.06.2022. all the NSS volunteers are requested to present the great programme positively.

Thank you

## A Report on a Tree Plantation Programme under the Green India Campaign

The National Mission for a Green India, as one of the eight Missions under the National Action Plan on Climate Change (NAPCC), recognizes that climate change phenomena will seriously affect and alter the distribution, type, and quality of natural biological resources of the country and the associated livelihoods of the people. The mission for a Green India (henceforth referred to as Mission) acknowledges the influences that the forestry sector has on environmental amelioration through climate mitigation, food security, water security, biodiversity conservation, and livelihood security of forest-dependent communities.

Against this backdrop, the Panchthupi Haripada Gouribala College arranged a Tree Plantation Program with help of Local administration in terms of Burwan Community Block through the directional effort of our beloved Principal Dr. SomaMukhopadhyay 10.06.2022. Our college NSS unit, teaching faculties, and staff with the grand presence of Joint BDO, Burwan Community Block participated in this great program under the Green India campaign. We planted trees on our college campus and arranged a rally on this event that aware the local areas about the mission.

## A Report on the World Environment Day Celebration

### Primary Theme:

“The World Environment Day 2022 global campaign #OnlyOneEarth calls for transformative changes to policies and choices to enable cleaner, greener, and sustainable living in harmony with nature.”

Panchthupi Haripada Gouribala College is the only general higher education center in the Burwan Community Block, Murshidabad has sensitized the locality in terms of serial activities. The college celebrated World Environment Day on the 10th of June 2022 to aware local areas cleaner, greener, and more sustainable living in harmony with nature.

Our college is celebrated the auspicious day every year on 10th June to raise global awareness to take positive environmental action to protect nature and the planet Earth. It is a day that reminds everyone on the planet to get involved in environment-friendly activities. People come together to pledge towards building a greener planet.

By the directional effort of our beloved Principal Dr. Soma Mukhopadhyay, on this day, we arrange an online lecture on“Pollution Free Building Construction’ delivered by Dr. Viswajit Thakur Associate Professor of Civil Engineering at Meghnad Saha Institute of Technology, Kolkata. He said how to cope with environmental hazards through pollution-free construction. All teaching faculties, students, NSS Volunteers, and Staff, of our college were inspired a lot by the motivational speech. The programme and the day ended with a vote of thanks.

## A Report on NSS Special Camping Programme (2021-2022)

The NSS Unit of Panchthupi Haripada Gouribala college organized a Seven-day long Special Camping Programme in *Togra-Phumpro*, Panchthupi from 25.01.2022 to 31.01.2022. Our beloved Principal Dr. Soma Mukhopadhyay of the College inaugurated the Special Camping Program, NSS, with her beautiful and inspiring words before us on the very first day of the said program.

The NSS Special Camping Programme was very unique in this academic year because Covid - 19, the pandemic confined us to a small periphery. Our NSS volunteers have played as the Covid warriors during the pandemic situations through their several activities throughout the year. The volunteers surveyed on the vaccination against the pandemic in our locality, and they reported that the single dose vaccination has been covered in the local areas resulting in coping with the pandemic being easier than earlier. We arranged an awareness program against the pandemic and organized a rally in our college's surrounding areas to cope with the pandemic. We distributed Covid kits like Face Masks, Hand Sanitizing Bottles, Hair Caps, Hand Gloves, and the like to the villagers to handle Covid-19 under this awareness program. The special camping program ended up with a cultural activities and valedictory session.
