A Report on Taking Necessary for Measures for Prevention and Control of VECTOR BORNE DISEASES in the College Premises.

In response to the Memo No: ED-587/2018, Dated: 22nd March, 2018, Kolkata (from the Director of Public Instruction, West Bengal) we are reporting that our college has organized action taken programmes on 27.03.2018 to couple up with the **Vector Borne Diseases** and **General Awareness Programmes** among the students and local people in our college premises as well as our college surrounding areas. Vector-borne diseases are human illnesses caused by parasites, viruses and bacteria that are transmitted by mosquitoes, sandflies, triatomine bugs, blackflies, ticks, tsetse flies, mites, snails and lice. Every year there are massive deaths from diseases such as **Malaria, Dengue and Chikungunya**. The Vector Borne diseases like **Dengue and Chikungunya** are the bane to our society because the said diseases are spread by aedes mosquitoes thus making vector control the most important strategy in prevention of both these diseases. It is not possible to mute or dysfunction on the said diseases by us. So, our college **has organized an intra-college seminar on the Vector Control Measures Diseases** for general consciousness of the said diseases.

Our NSS college unit has surveyed on the said diseases like the Chikungunya, Dengue etc. at the adopted village named **Tagra, and Phupura** in Panchthupi on 2nd and 3rd of the February in the year of 2018. We have known from the experts the Chikungunya disease is an infection, caused by the Chikungunya Virus with the symptoms include fever and joint pain. These symptoms occur two to twelve days after exposure. Other symptoms may include headache, muscle pain, joint swelling and a rash. But the result of the said surveyed from the areas there is no case of the typical diseases have found in the locality. We have engaged to clean our college premises regularly through which action we are able to free from the said diseases. Our teachers have aware the students to the said diseases side by side learning processes in the class room. In addition, we have sensitized our NSS Volunteers and students in awareness programme of **Vector Borne Diseases**.

Life is most precious than any other thing. For this very cause, we organized a programme on the 'Safe Drive, Save Life' campaign on 28.03.2019 to build an awareness measure in the pupil and the community also which will make it an extensive attitude to the nation.

A 'Safe Drive, Save Life' campaigning event was organized in our college's surrounding areas on 28.03. 2019. Our school arranged this campaign. The students, teaching faculties, staff, and local administrative bodies also participated in this campaigning program. All highly appreciated this effort. Students wore placards, carried festoons, and voiced slogans. They walked in a rally on the streets and adjoining roads, with a request to follow the rules of the road. They also took control of the traffic on the streets and roads for half a day deliberately. The traffic police officers helped and encouraged the students in every way. The police administration, the principal of the college, and the teachers arranged for a street corner to aware local people. The whole day was fruitfully used. Thus, the campaign was a great success.

A Report on NSS Special camping Programme(2018-2019)

The NSS college unit organized a Special Camping Programme in the adopted village, Panchthupi from 19.02.19 to 25.02.2019. It was a seven-day camp through which our volunteers participated in several activities to make a sensitized social conglomeration through their social service. These activities covered different issues. These issues were fallen into different categories: surveyed the health and safe drinking water in the villagers; arranged awareness programmes for the village people in the social security; observed whether they got public conveniences or not; organized a yoga class for sound mental and physical health and so on. Besides all these things, the volunteers organized a debate and quiz competition and participated in these programmes. The seven-day long NSS special camping programme ended up with a valedictory session.

A Report on the Independence Day Celebration

The Burwan Community Block, Murshidabad has the only General Degree College under the University of Kalyani. It is Panchthupi Haripada Gouribala College. Our college celebrated a distinct event on Independence Day with spectacle and great joy on 15.08.2018. A sense of pride and happiness could be seen on the pupils, staff, and others' faces on that great day.

The auspicious event started at 08:30 AM with a jubilant moment. Our beloved Principal Dr. Soma Mukhopadhyay has hoisted the National Flag and all of us clapstick in the momentum of this event. There was a large stage on which all the senior teachers and the Principal were in front of the college staff and students. After a parade was performed by the volunteers of the national service scheme of our college unit and they perform a cultural activity on that particular day. It was amazing and aroused strong emotions in me for my loving country.

A Report on a Campaign in Dengue Prevention

Covid-19, the pandemic threatens human civilization and we are trying to fight against doom. Side by side Dengue fever bullying us. It is a viral infection that is transmitted by mosquitoes. It is a serious public health issue, and the number of cases has been increasing worldwide. In order to combat this disease, it is important to create awareness about its prevention and control. One effective way to do this is by organizing dengue awareness camps.

Creating awareness about dengue fever is crucial because of the high number of cases and deaths caused by the disease. According to the World Health Organization (WHO), there were many a case of dengue reported in the world with over a million deaths. In addition, the number of cases has been increasing in other regions as well. Educating people about preventive measures is important to control the spread of the disease. This includes measures such as avoiding mosquito bites, eliminating mosquito breeding sites, and early detection and treatment of the disease. At this juncture, our college NSS volunteers engaged in an Awareness Programme on Dengue Prevention in their locality on 18.08.2020 resulting in the cognizance ability of the people against Dengue fever strengthening.

A Report Regarding Awareness Programmes on Ecology and Covid-19

We are confined in a specific periphery due to Covid-19, the pandemic outbreak in our society. It is high time to cope with the pandemic through some ecological awareness programs that sensitize our surroundings. At the same time, Environmental awareness is critical because it can help to minimize pollution and global warming. It can also promote a more sustainable world by promoting renewable resources such as solar, wind, and water.

Against these backdrops, PanchthupiHaripadaGouribala College organized awareness programs and initiatives on different ecological issues and Covid-19 on 16.04.2021 at our college premises. These issues fall under different titles like awareness programs on Water Conservation, a Drive for a Greenery Environment, a Campaign of Swachh Bharat, and an initiative to cope with Covid-19, the pandemic. On this day, our college teaching faculties, NSS Volunteers, and others have taken part in several ecological programs resulting in the fight against the pandemic strengthening. The program ended with a vote of thanks.

A Report on a Tree Plantation Programme under the Green India Campaign

The National Mission for a Green India, as one of the eight Missions under the National Action Plan on Climate Change (NAPCC), recognizes that climate change phenomena will seriously affect and alter the distribution, type, and quality of natural biological resources of the country and the associated livelihoods of the people. The mission for a Green India (henceforth referred to as Mission) acknowledges the influences that the forestry sector has on environmental amelioration through climate mitigation, food security, water security, biodiversity conservation, and livelihood security of forest-dependent communities.

Against this backdrop, the Panchthupi Haripada Gouribala College arranged a Tree Plantation Program with help of Local administration in terms of Burwan Community Block through the directional effort of our beloved Principal Dr. SomaMukhopadhyay 10.06.2022. Our college NSS unit, teaching faculties, and staff with the grand presence of Joint BDO, Burwan Community Block participated in this great program under the Green India campaign. We planted trees on our college campus and arranged a rally on this event that aware the local areas about the mission.

A Report on NSS Special Camping Programme (2021-2022)

The NSS Unit of Panchthupi Haripada Gouribala college organized a Seven-day long Special Camping Programme in *Togra-Phumpro*, Panchthupi from 25.01.2022 to 31.01.2022. Our beloved Principal Dr. Soma Mukhopadhyay of the College inaugurated the Special Camping Program, NSS, with her beautiful and inspiring words before us on the very first day of the said program.

The NSS Special Camping Programme was very unique in this academic year because Covid - 19, the pandemic confined us to a small periphery. Our NSS volunteers have played as the Covid warriors during the pandemic situations through their several activities throughout the year. The volunteers surveyed on the vaccination against the pandemic in our locality, and they reported that the single dose vaccination has been covered in the local areas resulting in coping with the pandemic being easier than earlier. We arranged an awareness program against the pandemic and organized a rally in our college's surrounding areas to cope with the pandemic. We distributed Covid kits like Face Masks, Hand Sanitizing Bottles, Hair Caps, Hand Gloves, and the like to the villagers to handle Covid-19 under this awareness program. The special camping program ended up with a cultural activities and valedictory session.
