Political Science Course Outcomes

Panchthupi Haripada-Gouribala College under the University of Kalyani is the only general Bachelor of Arts (B. A) degree college in the Burwan Community Block, Murshidabad. The college offerings three years of B. A. degree program in several subject courses under the CBCS curriculum since 2018-2019, besides the old program. The undergraduate program is composed of six courses. Political science course is one of these courses. The learning outcomes of the undergraduate Political Science course reflect disciplinary knowledge and understanding, generic skills, including global competencies that all students in different academic fields of study acquire and demonstrate.

Against these backdrops, the Political Science Course outcomes are as follows:

1. The Political Science course creates an opportunity for students resulting in the pupils being able to crack any difficulties and penetrate the area to dispose of it.
2. The Political Science course helps students to identify the nature and scope of Political Science that boosts students to cope with the different exams in the particular and broader periphery, like job markets in general.
3. The course also aims to enhance student's ability to think critically, write with clarity, orally communicate with society, and increase their ability to sound judgments through analytical reasoning.
4. The undergraduate course assesses how global, national and regional political developments affect society that sorts our social conglomeration vibrant.

5. The Political Science undergraduate course tries to build up an environment where practices of ethical and moral values will evolve that brand our local areas good and nation prosper.
