A Report on the Independence Day Celebration 2023

The Buwan Community Block, Murshidabad has the only General Degree College under the University of Kalyani. It is Panchthupi Haripada Gouribala College that tries to initiate a great endeavor to cope with the educational lag in the local community. Our college celebrated a distinct event on Independence Day with spectacle and great joy on 15.08.2019. When our Principal hoisted the flag, all the students, staff, and faculty members present there sang the national anthem.

Our Principal also delivered a speech on how we got freedom. After listening to her speech, we felt proud of our ancestors who sacrificed to gain their country. As the program proceeded, we became more excited. After that, the students presented various types of activities. Some Volunteers of the National Service Scheme of our college unit delivered speeches with great passion. So, they decide to protect our country at any cost and become its loyal and sincere citizens. At the end of the program, all the students were given a sweet box.
